

Get away at Chateau d`Avaray :

Plan a 4 night stay at this magnificent 15th century chateau in the center of the Loire Valley as a building block for your next Continental tour. You and another lucky couple can bask in the luxurious comfort of the Grand apartment while discussing which vineyards to explore, and which routes to take through the countryside. Only 2 hours south west of Paris, the bucolic countryside will refresh your sense of adventure and "joie de vivre".
